

MS. DUNNING'S NEWEST NEWS

OCTOBER 10, 2016

News and updates

Please remember to send in boxtops starting this week!

There is a flyer in your Monday folder about Math Night on October 18th! I will be leading the second grade sessions. This is a time to teach you more about how we solve problems in second grade, the strategies we use, our vocabulary, and some games to boost fact fluency. There will be two thirty minute sessions and I hope to see many of you there! Let me know if you have questions.

If your child is waiting for a bus in the afternoon they are more than welcome to work on their homework and I am happy to help them! They may also have a "quick clean up" snack ☺

If you are planning to check your child out early, it would be most helpful if you let me know in the morning, especially if it is during our MIT time! Thanks for all you do! ~Ms Dunning

MIT Schedule

Monday	Tuesday	Wed	Thursday	Friday
A	B	C	D	E
